

# Introducing The Growth Company's Recruiting Services

**Strengthen Your Team This Year by  
Finding the Perfect Fit**

## Our Strategic Process

- ◆ Meet with each client to clarify expectations by taking the time to fully understand the unique business needs, culture and supervisory style
- ◆ Perform a comprehensive **Talent** search assessing candidates beyond their qualifications
- ◆ Partner with you throughout the hiring process, facilitating final interviews, completing thorough reference and background checking, and provide consulting for a strong onboarding program

## We Ask the Hard Questions to Ensure Emotional Intelligence

- To measure their ability to acknowledge their strengths **and** limitations
  - To assess their self confidence
  - To evaluate their level of integrity
    - To gauge their social skills
- To appraise their conflict resolution capabilities
